

The school district boundaries displayed on this map were created as a result of a boundary review conducted prior to the 2000 and 2004 censuses. The Michigan Department of Education (MDE), the Michigan Center for Geographic Information (MCGI), and the Michigan Department of Transportation (MDOT) have worked in cooperation with each school district and interested school district officials to develop, by the district's own authority and at the school district's expense, a map of the district's boundaries.
